

**Special Room**  
for **S**omeone's,  
for **S**ustainable infrastructure,  
for **S**harable society

# Sroom

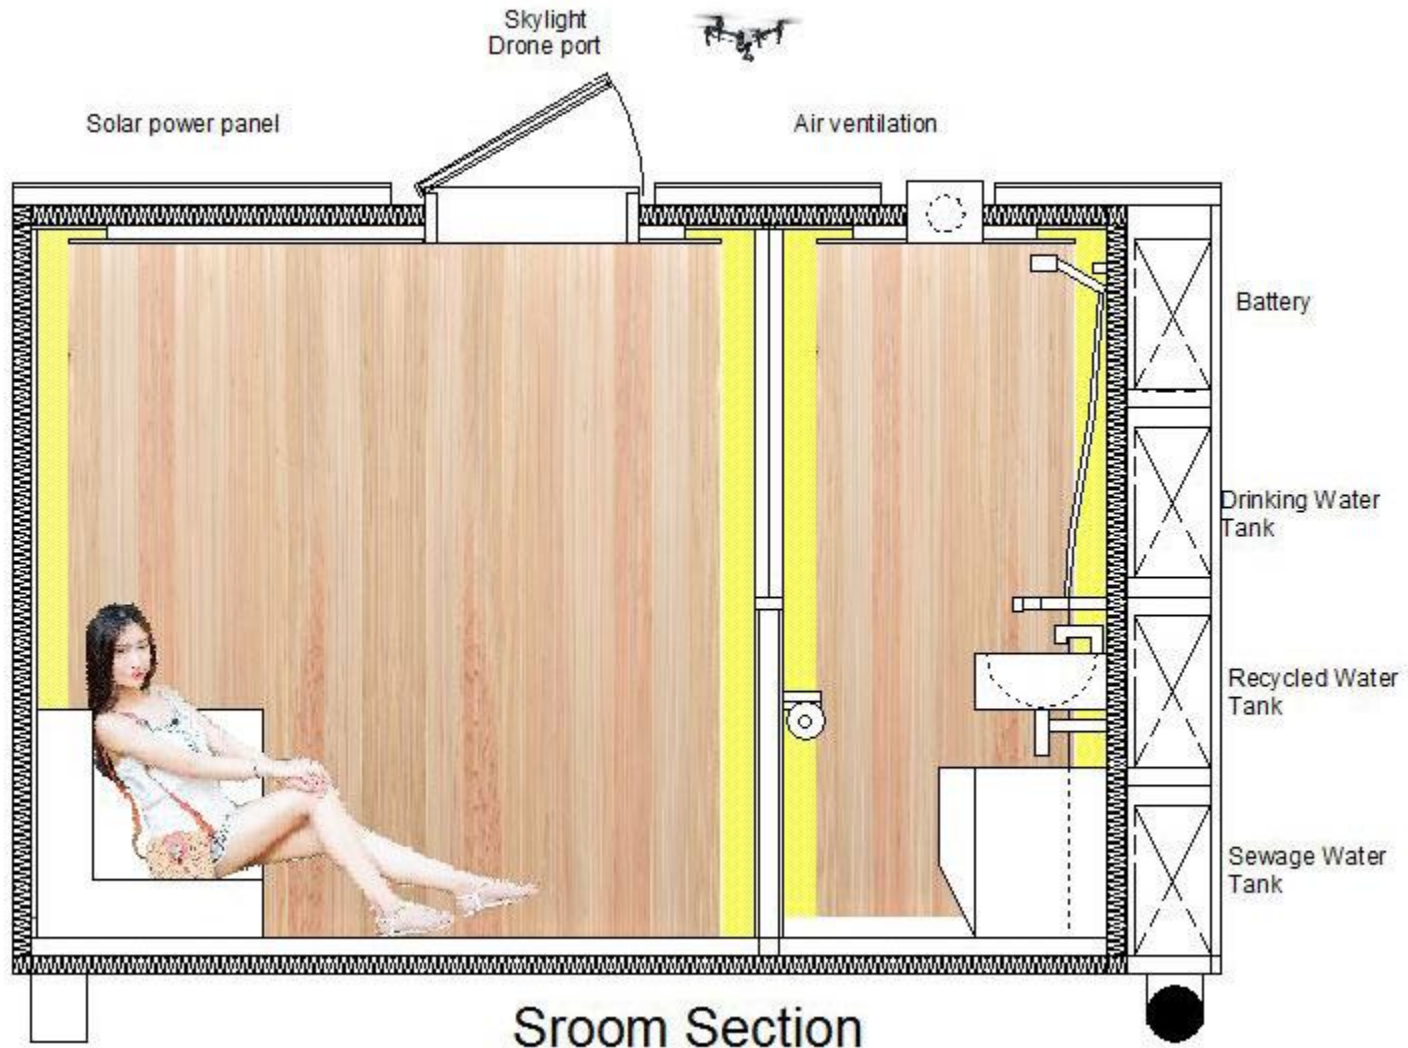

〔えするーむ〕

**Portable room**  
**with**  
**Micro infrastructure**

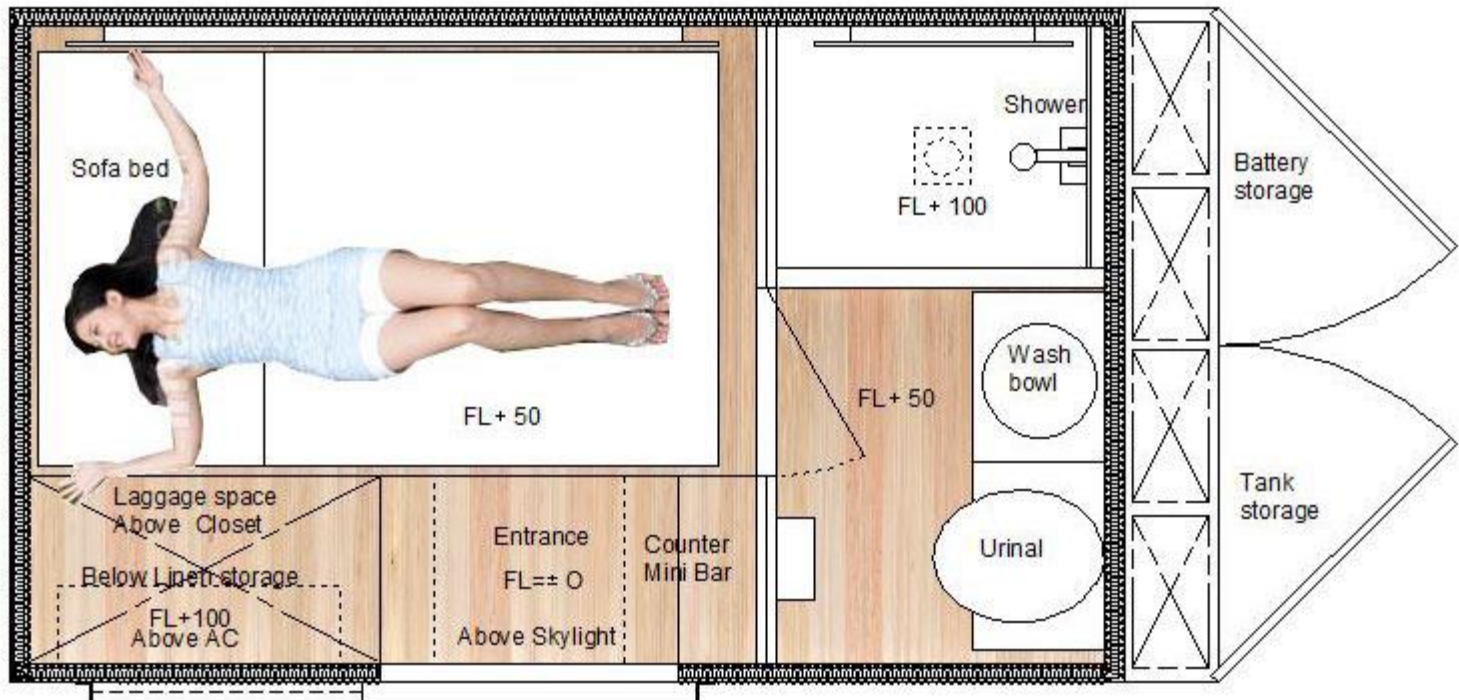

# Facility

**Packed minimum equipment for IOT life.**

# Facility

**Packed minimum equipment for IOT life.**

Sroom Plan

**Problem**

**Undeveloped infrastructure**

**Large  
scale**

**Overcrowded**

**Policy  
reorientation**

**International  
organization**

**Development not to advance  
even if we were waiting for.**

**Lack of tax revenue**

**No planning  
approach**

**Corruption**

**Solution**

**Method**

**not to rely on public policy.**

**i.e.**

**Change**

**to**

**Micro infrastructure**

**from**

**Mega infrastructure**

**Japan × Indonesia**

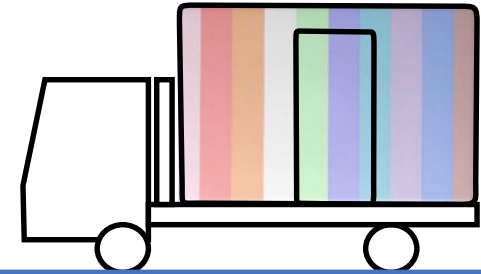

# How to use 'Sroom'.

**Reservation**

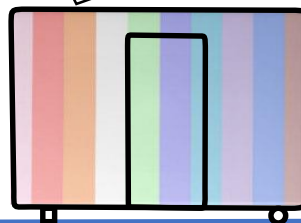

**by your Smartphone to your desirable place.**  
**Sroom will come as taxi !!**

**Enjoy !!**

**Check-in**

**Check-out**

**Change  
the value of Room!!**

**Before:**

**We go to a Room**

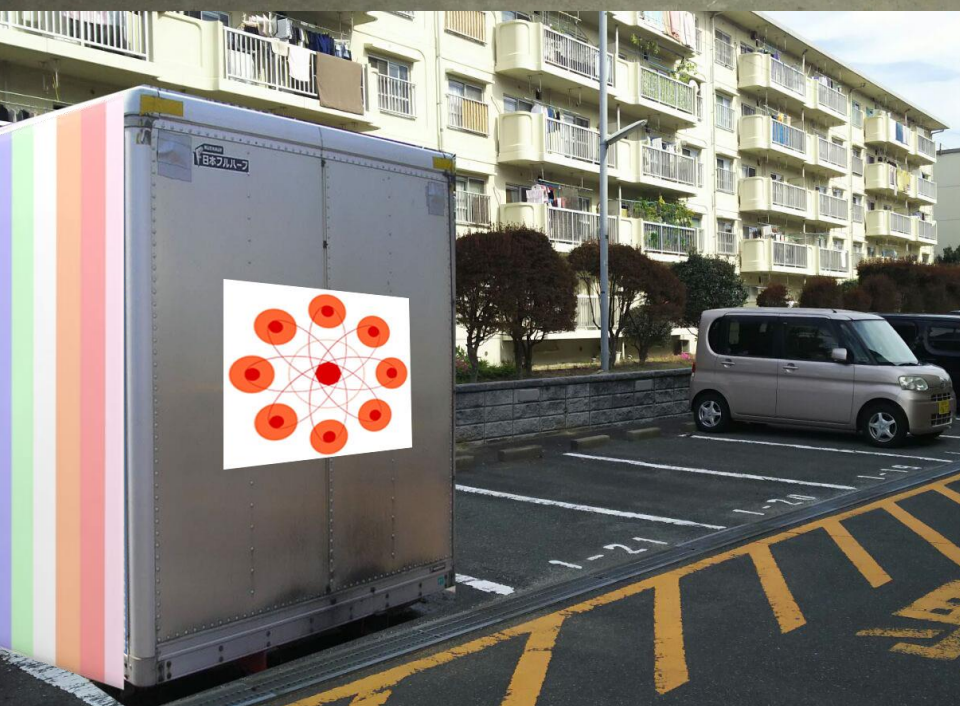

**After:**

**A Room come to us.**

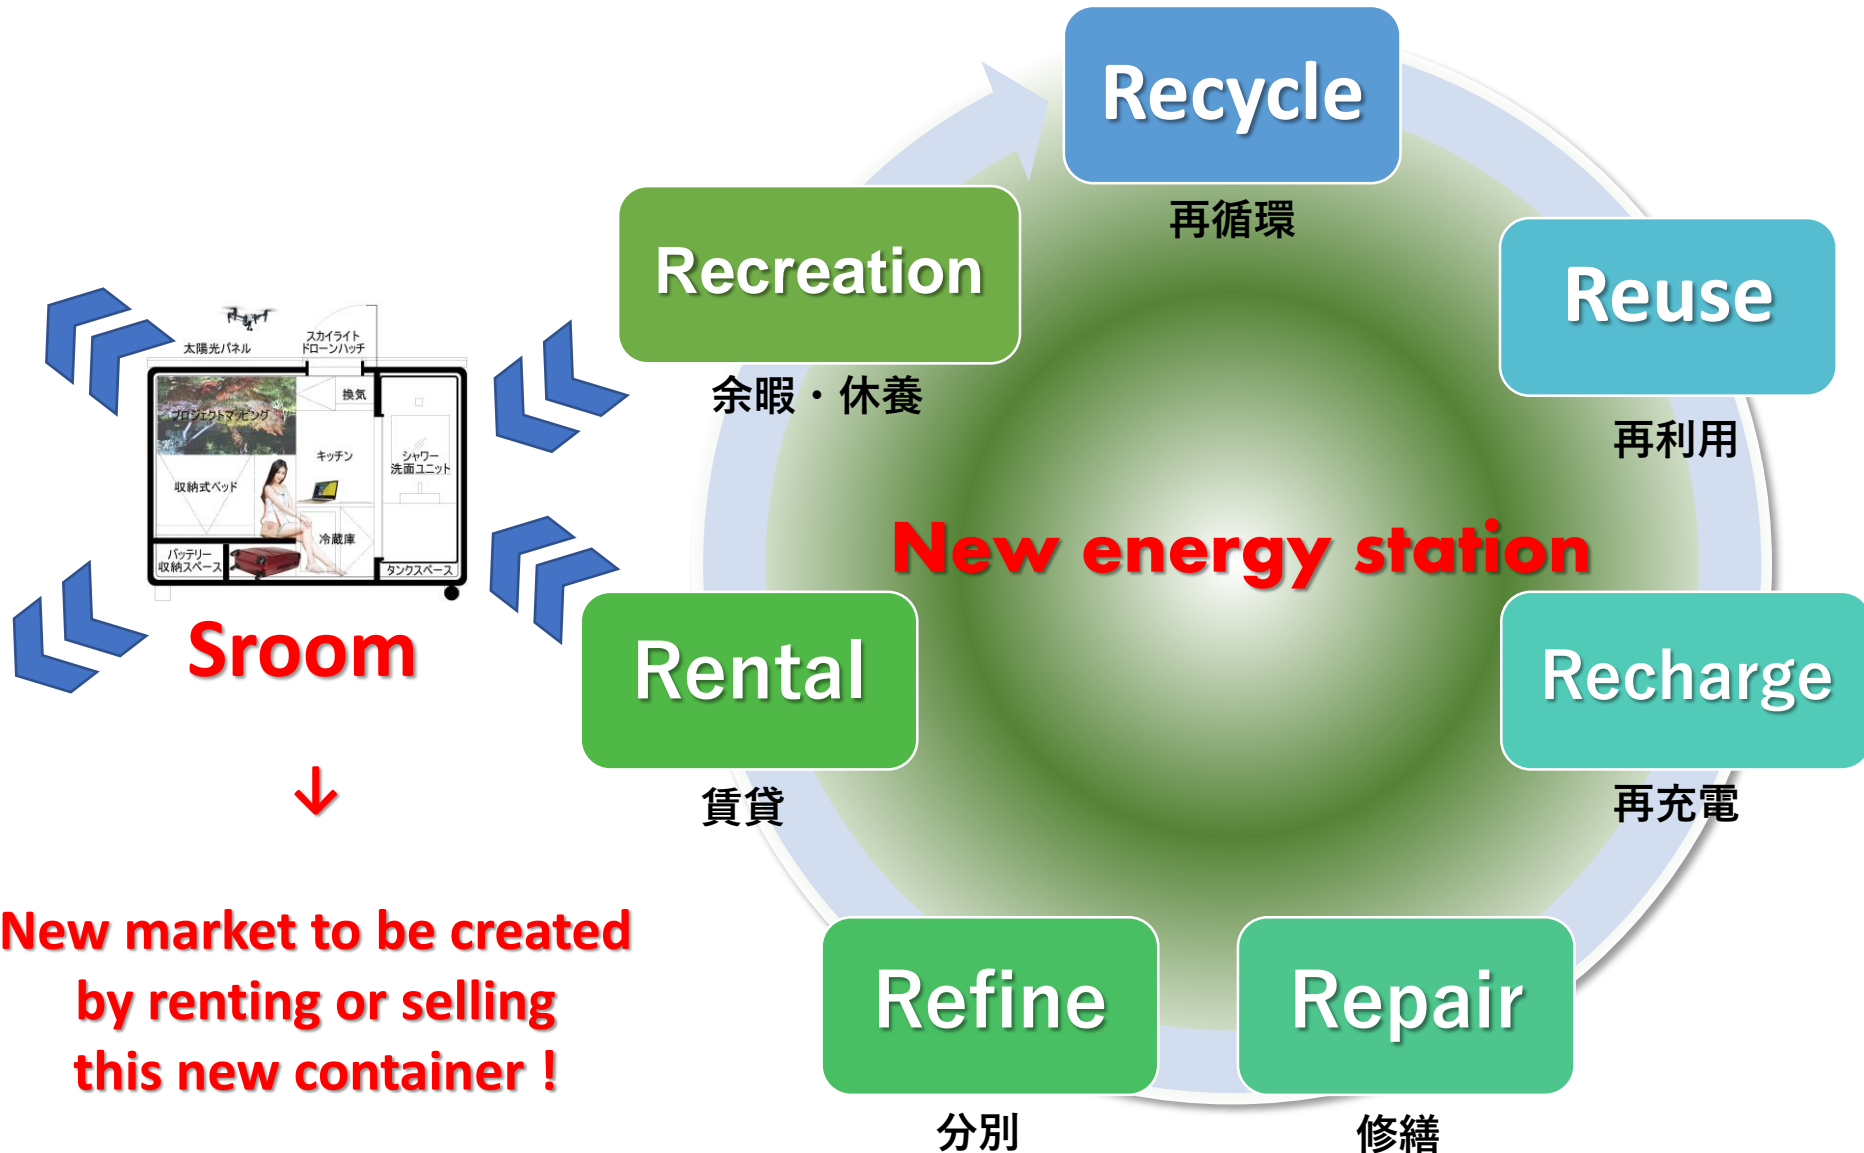

Where shall you take your 'Sroom' to ?

# Operation & Management system

**A existing gas station × a taxi company × a hotel chain and so on...**

# **Result**

**Architecture**

×

**Logistics**

×

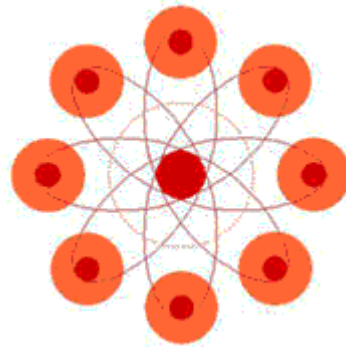

**Micro infrastructure**

×

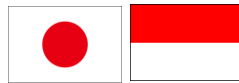

**Existing business field**

**New space & market & services**
